Closing the year

Words

Next year 2020, job4U2 will celebrate 10 years of supporting dual career partners in Switzerland.

More than ever, we close the year reflecting on who we have become, on what is important to us and in how our last decade experience and acquired expertise prepare us for our next steps.

Before entering this year of anniversary, the team has worked on clarifying what makes job4U2 unique both in the Swiss landscape and in the mobility landscape.
The identified 10 points that we have identified are presenting in this annual report.

Soon we will close the office to go and enjoy the end of the year with family and friends, but we already look forward to a wonderful 2020 which we invite in our life as a year for celebration.

In this festive time of the year, we would like to invite you to celebrate as well, for yourself, all the things that in your life call for celebration.

We wish you a joyful end of 2019 and a happy start in 2020.

The job4U2 Team

jOB4U2 Services in a **Nutshell**

job4U2, founded in 2010, is the leading provider of career support for dual-career partners in Switzerland .
The job4U2 career coaching programs are delivered by qualified career coaches who complement their Swiss job market expertise with advance coaching competences.

Our mission is to enable our coaches' access to a local professional activity.

Our motto: "Relocation is a project for both".
job4U2 is present in canton Vaud, Neuchâtel, Geneva, Basel, Zurich and Bern.

We also support companies by auditing and framing their Dual career challenges and needs
We offer early stage dedicated Dual Career support for Internal mobility and strategic recruitment.

The job4U2 career coaches help dual career couples to make their relocation in Switzerland a project for both. With the job4U2 programs, they support the accompanying partners' professional integration by sharing their knowledge of the Swiss economic network, of the recruiters' expectations and custom, but also by deploying their ability to nurture individuals' motivation and positive energy during this period of major changes.The support programs most offered are:

- Job search support
- Career (re)orientation coaching
- Business creation support

Some praising **Words** received in 2019

"The coaching experience was very beneficial and gave me a very wide spectrum of new opportunities with a real holistic approach. It is a real chance to perform such a programme in a mid-carrer time."
Sébastien I. (Pharma)

" I strongly recommend Job4U2 as it is a true investment for your career and personal development reaching your goals."
Agathi K. – (Digital health)

"My coach had an amazing ability to help uncover one's true strengths and guided me in clearly articulating them through the job application process.
Job4U2 was not only satisfying but overdelivered on my expectations."
Michelle C. (Innovation & Business Development)

"I wouldn't hesitate to recommend job4U2 to anyone looking for a job or a career change. Although, looking for a job is a difficult ride and a job itself, the help and encouragement from my caoch made it a smooth ride.".
Arturo M. (Scientist)

"job4U2 gave me the tools to effectively and efficiently continue my job search journey. My sessions were not only helpful in developing my personal strategy but also in rebuilding my self confidence.
The program helped not only my job search but also my personal development"
SAX. (Digital communication)

"I am very happy with the services of Job4U2. Particularly with my coach who has succeeded in holding a high level of hands on practical support and guidance while at the same time acting as my best cheer leader!
I must also say that the whole job4U2 team has proven their commitment to my job search and has been very generous in sharing their network, something that is invaluable when new in a market!"
Helena R. S. (FMCG Marketing)"

Our main Locations

Hundreds of multinational companies have established their global or regional headquarters in this highly international area.
Because of the high level of job requirements and competitiveness of the job market, accompanying spouses often require professional career support to find access to the local job market.

job4u2 has its origins in the canton of Bern and more specifically in Biel-Bienne, the Swiss bilingual city, strategically positioned on the “Röstigraben”, and is now headquartered in canton Neuchâtel.
More than anywhere else, the spouse’s professional and social activities are the key to successful integration in the area.

With the life sciences cluster around Basel and the Swiss Tech and Finance hubs in Zurich, the region is highly depending on International talents and their willingness to relocate with their dual career partners.
job4U2 is a partner of premium choice for local and international leading companies.

Many thanks to all our **Partners**

As a team we are grateful for each person we met this year who has contributed to make our jobs so enjoyable and so successful.

We thank our clients for their trust and for the many opportunities they gave us all along the year to continue our mission to make relocation a meaningful project for the Dual-career partners.
We thank our coachees for their openness during the coaching sessions and for the courage their demonstrated while progressing towards their goals. We express our gratitude for each of the magical moments we have experienced this year with them.

More personaly, I thank my teammates for their talents, for the joy and commitment they bring in their work, for each feed-back they gave me and for all the smiles and complicity we shared along the year.

2019 has been a wonderful year which makes me incredibly eager to see what 2020 and the upcoming 10 years will bring us!

With my grateful greetings,

Sandrine
